

## BENTLEY BRINGS MINIMALISM MOVEMENT TO THE FLOOR

*Latest Style in The Outskirts Collection Lets Interiors' Architecture & Design Speak for Themselves*

**LOS ANGELES (January 2018)** — Sometimes, less is truly more. **Burnish**, the latest style released within **The Outskirts Collection** from Bentley, stands out by blending in. The deeply textured, tweeded product is purposefully designed to combine, connect and coordinate with other styles – inside and out of The Outskirts line.

Don't underestimate its minimalism. Burnish's all-over visual is a subtle, sophisticated expression of color and pattern. Its flexibility in tile size is also a designer's dream: available in 9-inch by 36-inch, 18-inch by 36-inch and 24-inch by 24-inch NexStep® Cushion Tile and AFIRMA™ Hardback Tile. Burnish is also offered in High PerformancePC Broadloom for spaces that require an uninterrupted sea of texture on the floor.

Burnish, like its Outskirts coordinates **Ritual** and **Repose**, features the latest in pattern tufting technology and is made with **Antron® Lumena™ Type 6,6 Solution-Dyed Nylon** for ultimate color and performance. It is Cradle to Cradle Certified™, NSF® 140 certified and CRI Green Label Plus certified, and produced in a LEED®-EBOM Gold-certified manufacturing facility.

###

## **About Bentley**

Defining style, color, quality and service for more than 30 years, Bentley Mills, Inc. manufactures and markets award-winning broadloom, carpet tile and area rug products for all commercial interiors across the globe. Bentley is recognized for leadership in product design, style and customer service. Bentley is committed to sustainable commerce, and, as the largest commercial carpet manufacturer in California, the company operates in a LEED®-EBOM Gold carpet mill.
