REDEFINING WORKSPACE BALANCE

Newly Launched Styles from The Drawing Room Collection Designed to Inspire and Empower

Redacted

LOS ANGELES (January 2019) — Designers are challenged to create hospitality-inspired spaces that embrace modern office dynamics. It's not just about meeting the needs of today's generation and making them feel at home wherever they choose to work. More so, it's about inspiring and empowering them. **Chronicle™** and **Redacted™**, the first styles of The Drawing Room Collection by [Bentley Mills](#), deliver the perfect balance.

Chronicle

Created to feel luxurious in a world that requires resilience, Chronicle and Redacted provide both. These highly textured patterns have the rich look of velvet embellished with the sheen of matte and metallic lusters. Their all-loop construction is a match for any high-traffic space.

Brought to life in a palette of **13 colors** – capturing an ideal mix of warm to cool neutrals – the styles are offered in 9-inch by 36-inch, 18-inch by 36-inch and 24-inch by 24-inch NexStep® Cushion Tile, AFIRMA™ Hardback Tile and AFFIXX™ Hardback Tile, Bentley's adhesive-free hook and loop system for modular carpet tile. They are also all available in High PerformancePC Broadloom for spaces that require an uninterrupted design statement for the floor.

All products in The Drawing Room Collection are Cradle to Cradle Certified™, NSF® 140 certified, CRI Green Label Plus certified and produced in a LEED®-EB:OM Gold-certified manufacturing facility. Along with Environmental Product Declarations (EPDs) and Health Product Declarations (HPDs), Chronicle and Redacted also contain Declare® labels and have achieved LBC Compliant status through the Living Building Challenge.
