

← **Antron®**, Ascend or Universal nylon 6,6 tufted face product.

← **High-density woven or non woven primary backing** improves pattern straightness, dimensional stability, and pattern definition.

← **Three-step direct application, utilizing premium polymeric latex** increases yarn bundle encapsulation and tuft lock. Includes a 10-year warranty for protection against problems associated with edge ravel, delamination, and tuft bind.

← **High-density woven polypropylene backing** increases dimensional stability.

High PerformancePC backing structure contains 57% pre-consumer recycled content. It is certified Cradle to Cradle Silver, NSF® 140 Gold, and CRI Green Label Plus.
