Double Down™ and Sure Bet™ Prove Once Again that Bentley's Carpet Designs are Right on the Money

Double Down™ in Deuce

Sure Bet™ in Bonus

LOS ANGELES (September 2019) — Designers, you've hit the commercial carpet jackpot with the latest products from Bentley. Double Down™ and Sure Bet™ are a winning combination of simple patterns and complex textures. Pair them together in a space or specify each on their own; either way, there's no risk, only rewards. We'll take those odds!

Upping the ante on design flexibility, both styles are offered in broadloom and tile (18-inch by 36-inch planks and 24-inch squares), and available in 12 striking colorways. Produced with Antron® Lumena DNA™ Nylon Type 6,6, the products are backed with NexStep® Cushion Tile, AFIRMA II™ Hardback Tile and AFFIXX™, Bentley's adhesive-free hook and loop system for modular carpet tile. They are also all available in High PerformancePC Broadloom for spaces that benefit from an uninterrupted design statement for the floor.

Double Down and Sure Bet are Cradle to Cradle Certified™, NSF® 140 certified, CRI Green Label Plus certified and are produced in a LEED®-EB:OM Gold-certified manufacturing facility. Along with Environmental Product Declarations (EPDs) and Health Product Declarations (HPDs), these products also contain Declare® labels and have achieved LBC Compliant status through the Living Building Challenge.
