

# MALIBU COLONY COLLECTION

Nestled northwest of Los Angeles, Malibu is a 21-mile stretch of sand and surf with a star-studded celebrity history. This exclusive beach hideaway has been a refuge for Hollywood royalty since the Silver Screen era and remains a popular private enclave to date.

The Malibu Colony Collection reflects weathered modernism with a bold color palette drawn from the vibrant wildflowers along the coast, the glorious sunsets beneath the horizon, and the beautiful neutrals of the shoreline. The small-scale design of Carbon Beach™ mimics the feeling of the coastal sands and the soft surf of Little Dume, while the mid-scale Grotto Trail™ reinforces the idea of Malibu's steep clay slopes and windy trails over breathtaking coastline views.

## RECOMMENDED CARPET TILE INSTALLATION METHODS

Bentley's High PerformancePC, NexStep® Cushion Tile, and AFIRMA™ Hardback Tile products are Cradle to Cradle Certified™ Silver. Bentley products are also certified under the NSF/ANSI Standard 140 – Sustainable Carpet Assessment (NSF 140). Six of Bentley's standard backing products are NSF 140 certified at the Gold level or above. Bentley's carpet products are manufactured in our California mill, a LEED for Existing Buildings: Operations and Maintenance (LEED®-EBOM) Gold certified facility. Please inquire about product warranties for specific backing options.

Patterned carpet may require special attention by the installer to assure a suitable match, and must be addressed in the original labor quotation. Products that go through the shearing process may result in a small loss of yarn weight. Slight variations in color among different production lots are normal and should be considered in the overall installation plan. Carpet specifications and components are subject to normal manufacturing tolerances and may change without notice. Technical performance characteristics are subject to adjustment based on results of post-manufacture testing. Product warranted in accordance with the terms and conditions of Bentley's standard printed warranty in effect at time product is sold. All other warranties, including without limitation any implied warranties of merchantability or fitness for a particular purpose, are hereby disclaimed. Made in USA.
