CULINARY COLLECTION

BENTLEY

From Scratch, On The Block
and Serve It Up

The exquisite meal. An idyllic space. Both provide health, comfort, and joy.

The designer. The chef. Masterfully creating with simple, true ingredients. Catering to our most basic needs and our secret desire to be spoiled. Handpicking each detail first to replenish the soul, then to tease with unexpected spice.

The Culinary Collection presents three signature styles designed to satisfy your hunger for these essentials. On the Block makes a mark with deep texture, evoking the random nicks and grooves that line a well-used butcher block. From Scratch brings spice to any space with its large-scale, multi-directional pattern, while Serve It Up is more accessible in style and pattern—a good reminder to savor simplicity.

Sustainably sourced and made, products in the Culinary Collection are manufactured with Bentley Premium™ Nylon. As always, all Bentley carpet products are PVC-free.
