

# NEW BOHEMIAN COLLECTION

**BENTLEY**<sup>®</sup>  
LOS ANGELES

**Bohemian** (n.) **Gypsy**. Wanderer. A person, musician, artist, or writer who lives a free-spirited life and believes in truth, freedom, and love.

Fueled by new-age spirit and a lust for nomadic freedom, the New Bohemian Collection presents an alternate perspective to the linear ideals of the modern world. The legacy of experienced goods records a visual account of handcrafted design, igniting an evolution of luxury. Through a collaboration of intricate patterns passed down from generation to generation, a new philosophy ushers in the appeal of patina.

The collection brings three large-scale styles to life, celebrating the beauty of wear. Vagabond™, Wanderlust™, and Troubadour™ uncover the layers of travelers' passage through time with carefully curated colors and an abstract patchwork of pattern.

Bentley's High PerformancePC, NexStep® Cushion Tile, and AFIRMA™ Hardback Tile products are Cradle to Cradle Certified™ Silver. Bentley products are also certified under the NSF/ANSI Standard 140 – Sustainable Carpet Assessment (NSF 140). Six of Bentley's standard backing products are NSF 140 certified at the Gold level or above. Bentley's carpet products are manufactured in our California mill, a LEED for Existing Buildings: Operations and Maintenance (LEED®-EBOM) Gold certified facility.

Patterned carpet may require special attention by the installer to assure a suitable match, and must be addressed in the original labor quotation. Products that go through the shearing process may result in a small loss of yarn weight. Slight variations in color among different production lots are normal and should be considered in the overall installation plan. Carpet specifications and components are subject to normal manufacturing tolerances and may change without notice. Technical performance characteristics are subject to adjustment based on results of post-manufacture testing. Product warranted in accordance with the terms and conditions of Bentley's standard printed warranty in effect at time product is sold.
