BENTLEY

Off The Chain

Like a well worn sweater on a blustery day or your favorite afghan blanket on the sofa for movie night, there's a certain comfort that comes from something that has been knitted or crocheted. Maybe it's the woolen, nubby texture or perhaps it's the fact that someone created your piece by hand, either way there's a literal and figurative warmth that comes from a one-of-a-kind item that is uniquely yours.

Off The Chain celebrates the perfect imperfections of hand made wares. With each stitch, this pattern mimics the highs and lows of chain stitches as well as the personality of slub yarn in order to create a product that will provide a warm, authentic energy to even the starkest of spaces.

Knit one, purl one, specify as often as you please.
