BENTLEY

Lowkey LVT

Not loud or overly dynamic, sometimes a whisper or a simple gesture can have the greatest impact. **Lowkey™ LVT** draws and holds our attention through a clear expression of what we value most in natural woods—the warmth of an earthy palette and the comforting familiarity of organic texture.

The reserved styling in **Lowkey LVT** makes it the ideal floorcovering for spaces where living and working are meant to take center stage. Whether to set a quiet tone meant to minimize distractions and promote focus, or as part of a neutral architectural envelope intended to host a vibrant array of activities, furnishings, and art, **Lowkey LVT** has the well-mannered restraint to honor your vision.

Offered in nine natural shades, in elongated planks of 9 in. X 48 in., **Lowkey LVT** adds a graceful movement across the floor. **Lowkey LVT** is finished with **BentleyKo+e™**, our proprietary, multifaceted performance coating.
