

BENTLEY®

CLASSIC ROCK

LUXURY VINYL TILE

BENTLEY

Classic Rock

It's all in the mix - an aggregate of disparate things that are equally timeless and never lose their luster. Are we talking about your FM Classic Rock station? No! We are talking about the latest addition to our foundational LVT library. Classic Rock LVT is a pattern inspired by the time-honored look of terrazzo.

Created to cover every variety of floor, Classic Rock is scaled to present the right amount of texture with hints of color cast into your favorite neutrals, and a shimmery layer on several colorways reflects like a polished finish. Eight predominantly neutral shades start with values influenced by rose, blue, and mint, from light to deeper hues. Our standard offering is 18 in x 36 in tile in 5 mm thickness for optimal design, performance, and acoustics. The heavier 5 mm composition requires less adhesive, no transition strips to our carpet tile, and greater forgiveness of subfloor imperfections. Classic Rock LVT, just like all Bentley Luxury Vinyl Tile, is delivered with a high-performance, scratch-resistant finish designed for heavy-duty traffic, building beauty and performance into every Bentley LVT floor you select.
