CIRCULARITY

We're reshaping our supply chain to **recover waste** and include circular materials in every carpet product we make. We are reducing our dependence on virgin resources such as nylon and calcium carbonate, and turning waste and emissions into valuable resources, like **capturing and utilizing CO_2** as a raw material.

And with our **FulFill™** Carpet Reclamation program, we take back all carpet—any material, from any manufacturer.

The printed images may not be an accurate reproduction of the product's actual colorways. We strive to offer an authentic representation, but images may vary according to press run and location lighting. These images are intended as a guide only.
